EMISSIONS
REDUCTION
FUND

Welcome to today's webinar
How to use AusTender to take part in an
Emissions Reduction Fund auction

The webinar will commence at 1.00pm (AEDST).

Please remember to phone 1800 896 323 and enter your
participant code **47918003# to hear the presenter.**

4 steps to the ERF

4 STEPS TO THE EMISSIONS REDUCTION FUND

STEP 1

Apply

STEP 2

Contracts
and auctions

STEP 3

Reporting
and auditing

STEP 4

Delivery
and payment

Establishing a contract

Authorised bidder

- Participants can nominate an authorised bidder to submit a bid on their behalf
- On lodgement, the authorised bidder declares that they have the “legal capacity and authority to bind the participant to the bid”
- Authorised bidder form
 - > Appoint/change/remove authorised bidder

Auction participation

- You participate at auction via AusTender
- You access AusTender & register as a new user
- You have one bid per contract
- You submit bid form via AusTender
 - > contract identifier
 - > bid amount
- You will be notified in 5 business days – contract commences automatically if successful

AusTender

- Create an AusTender account (www.tenders.gov.au)
- Access the auction (restricted ATM)
 - > Clean Energy Regulator will provide ATM-ID and passcode

Sample Image Only
